The water account will list all parties on ownership documents or lease. If you are a new owner, present a copy of your HUD Settlement Statement or Deed. If you are a tenant, present a signed copy of your lease. Picture ID for all adults on the deed or lease must be presented. Payment in full of any previous balance due may be required prior to establishing new service. If service address is outside the town limits, owner must submit an Annexation Petition before services can be provided.

As OWNER of property, by signing below, you agree that you are responsible for paying all applicable fees including required owner deposit, monthly water usage fees after requested service start date or applicable availability fee per month in lieu of service not being used.

As TENANT of property, by signing below, you agree that you are responsible for paying required tenant deposit and water usage fees after requested service start date.
